

## Look at what industry professionals are saying about LocumTenens.com!

"I've had an excellent experience working with LocumTenens.com. The physicians are well qualified and the recruitment staff has been wonderful! My LocumTenens.com recruiters provide excellent customer service and qualified surgeons whenever we have a need. They provide more service than any other company I have worked with. I look forward to working with LocumTenens.com again!"

— *Director Physician Relations, Ohio*

"Your group has impressed us with how quickly you brought in providers and how qualified they were. Your staff is cordial and is a "can do" sort of bunch. You know they're going to come through."

— *Health Care Facility Administrator, Iowa*

"I love working with you guys more than any other company. You are great to work with and I recommend you to other people too. The quality of candidates is excellent and your staff members are great."

— *Medical Facility, Missouri*

"I was looking for a staffing company to tie all of the loose ends that are associated with hiring a provider. What I like about working with LocumTenens.com is that I don't have to worry about paperwork, searching for providers, and contract negotiations. The staff is very courteous and efficient and helped with all the details!"

— *Medical Facility President, Georgia*

"I like working with LocumTenens.com because of the personal touch, friendly interaction, and they are easy to talk with. LocumTenens.com meets my needs better than any other staffing company!"

— *Medical Facility Administrator, Virginia*

"What I really like about working with LocumTenens.com is that they are organized, quick to respond, and handle all of the necessary, pertinent details, which simplifies it for me. I have referred LocumTenens.com to several folks at other hospitals and in other specialties as well."
