

**Recruiting  
physicians can be  
a real numbers game.**

So if you need to move quickly and want to tell as many physicians as possible about your opportunity, try RecruitRx™ —

**Call us today to give it a try  
888.223.7805 x 5785 or log on to  
www.RecruitRx.com**

**We know that recruiting  
physicians can be stressful...**

**“These are my stress management pills.  
I put one in each ear whenever I’ve  
heard enough bad news.”**

**...and you  
need to save  
time and  
reduce costs.**

**Send thousands of job-seeking  
physicians a personalized  
email with details about your  
job opening**

**a recruiting tool from  
LocumTenens.com**

# www.RecruitRx.com

RecruitRx™ is LocumTenens.com's unique, web-enabled broadcast e-mailing tool.

Designed for busy healthcare recruiters like you, RecruitRx™ saves you time and money in sourcing physicians.

RecruitRx — your prescription for rapid physician recruiting.

## OUR BROADCAST EMAIL TOOL JUST GOT BETTER

### **New Features Include:**

**Online Ecommerce feature** — use your credit card to purchase Recruit RX™ online.

**Double your delivery rate and improve your rate of response** — with a single click of the mouse send your unique message to thousands of physician candidates. Candidates will receive your message via their personal email inbox and their LocumTenens.com inbox.

**New “Help” features** to assist you in creating your targeted message, developing your broadcast list, saving candidates and using the networking tool

**Every month over 900 NEW job-seeking physicians register on our site.**

**Our pool of potential physician candidates is constantly growing — which means your broadcast emails reach more and more candidates.**

## HERE'S HOW IT WORKS

-  Select physicians by medical specialty, geographic preference and job duration (locum tenens or permanent)
-  Compose a compelling pitch for your opening
-  Broadcast it to your customized list in seconds
