

LocumTenens.com conducted its Annual Compensation and Employment Survey in the early spring of 2010. Survey respondents represent physicians who practice on a locum tenens basis as well as those with permanent salaries. Physicians also shared the one "action item" they would give their superiors to improve their practice environment.

This report includes compensation and employment statistics for the field of radiology.

Radiology

At a glance

Radiology survey respondents:

94% Board Certified; 5% Eligible

72% Male; 28% Female

39% Have worked on a locum tenens basis

51% Have not but may consider working locum tenens in the future

Respondent Demographics:

years in practice

by region

employment status

next job change

2010 Average Annual Radiologist Salary: **\$398,571**

Based on Full-time Employment

All compensation data above includes respondents who selected full-time employment status. Compensation includes salary and bonuses only. Respondents who selected part-time, locum tenens, contractor exclusively, retired, or resident/fellow are not included.

The single "action item" salaried employees and owners/partners would like to improve in their practice environment:

- Adequate staff and equipment
- Better interaction between different medical specialties
- Flexible schedule
- PACS system
- More control over decisions affecting department

- Keep up with technology/equipment advances
- 100% transparency
- Cooperation
- Form a physician control multi-specialty practice
- Have the group think outside the box
