

Staffing Symposium

MEET OUR EXECUTIVE LEADERSHIP TEAM

CHRIS FRANKLIN, PRESIDENT

Chris Franklin is the president of LocumTenens.com, the nation's largest provider of locum tenens services and a recognized leader in healthcare staffing. With more than 25 years of experience in the healthcare and technology staffing industry, Chris brings strategic vision, operational expertise, and deep industry knowledge to his role. His leadership has been instrumental in driving LocumTenens.com's exponential growth and reinforcing its reputation as an innovator in optimizing healthcare staffing operations.

Under Chris's guidance, LocumTenens.com now supports more than 150 medical specialties and serves over 90% of the nation's top healthcare facilities—placing more than 7,000 clinicians each year who deliver care to more than 10 million patients. He has led the company's expansion across flexible, hybrid, and temporary staffing solutions for physicians, advanced practitioners, social workers, and psychologists—ensuring uninterrupted patient care across the U.S.

Chris is passionate about delivering world-class customer experiences, building high-performing teams, and cultivating a culture that has earned consistent recognition as a "Best Place to Work" and recipient of ClearlyRated's "Best of Staffing" awards. He is also a champion of corporate responsibility, making social impact a strategic business priority. Through its award-winning online platform MedicalMissions.org, LocumTenens.com supports thousands of underserved patients in more than 200 countries. Closer to home, the company invests in dozens of local nonprofit organizations through associate volunteerism and community funding.

Chris holds a Bachelor of Arts degree from the University of Richmond. He has served on the boards of the National Association of Locum Tenens Organizations (NALTO) and Predisan USA, Inc.

DIANA ADLER, EXECUTIVE VICE PRESIDENT

Diana Adler joined LocumTenens.com in 1999 and quickly became one of the company's most successful recruiters, holding company records even after transitioning into larger management roles. Diana became a partner at LocumTenens.com in 2004 and was promoted into a vice president role in 2008 and executive vice president role in 2021. Diana is responsible for overseeing the company's primary care, hospital medicine, neurology and anesthesia divisions. Prior to joining LocumTenens.com, she gained recruiting experience at an executive recruiting firm and later at an Atlanta practice management company. A native of Buffalo, New York, Diana graduated summa cum laude from Boston University.

KEVIN THILL, EXECUTIVE VICE PRESIDENT

Kevin Thill's career with LocumTenens.com began in 1998 when he was hired as a researcher for the psychiatry division. Since that time, Kevin has transitioned through responsibilities in the psychiatry division as a sales account executive, managing director, partner, vice president and executive vice president. Throughout his career at LocumTenens.com, Kevin's impact has been extensive, including launching the neurology division and assuming responsibilities for other areas such as the account representative team. Kevin was also an integral part of initiating the virtual medical staff business and is heavily involved with business development of telehealth within LocumTenens.com. Kevin earned a bachelor's degree from the University of Northern Iowa.

SUSANNE HODGES, EXECUTIVE VICE PRESIDENT

Susanne Hodges joined LocumTenens.com in 2017 as vice president of customer experience and innovation, where she focused on LocumTenens.com's clients and providers to address their needs and improve their experiences. In 2018, she became senior vice president of information services, where she leads the transformation of LocumTenens.com's approach to technology, innovation, data/analytics, marketing and customer experience. Prior to joining LocumTenens.com, Susanne spent 15 years working across a variety of industries with a focus in customer experience, strategic planning and business transformation.

Susanne received her undergraduate degree from Georgia Tech and her MBA from University of North Carolina-Chapel Hill. Susanne resides in Atlanta with her husband and daughter.

SCOTT SELBY, EXECUTIVE VICE PRESIDENT

Scott has over 20 years of healthcare and staffing experience and joined LocumTenens.com in 2010. In his tenure Scott has led eight different divisions and is now a partner in the organization. Currently, he oversees all enterprise client solutions which includes all account management divisions, national recruitment team, and the national business development team. He received his Bachelor's Degree from the University of Georgia and is a huge fan of his Bulldogs. Scott is passionate about helping others succeed and his commitment to supporting growth and development across the LocumTenens.com. Outside of work, Scott spends a lot of time advocating for children and families within the deaf and hard of hearing community through the Jason Cunningham Charitable Foundation. He is also deeply engaged with family life alongside his wife, Candice, and their four children — three daughters and a son.

AMELIA VIETRI, EXECUTIVE VICE PRESIDENT

Amelia Vietri is a senior vice president and partner at LocumTenens.com, leading the women's health, urology, otolaryngology and dermatology service lines. Amelia began her career with LocumTenens.com in 2008, primarily focused on clinician recruitment efforts. She later moved into leadership roles, specializing in the growth and development of new service lines for the company.

Amelia received her bachelor of business administration from the Terry College of Business at the University of Georgia with an emphasis in marketing. Since joining LocumTenens.com, Amelia has received numerous awards and recognitions, most notably, achieving partner in 2017.
